REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The primary reason for allowance of the instant claims is based on Applicants' persuasive Remarks filed 10/16/2006. In said remarks Applicants argued that the uncharged donor group in the instant claims is different from the group shown in the '905 US patent, particularly in the number of groups attached to the nitrogen atom. After considering said arguments, the Examiner agrees with Applicants and the rejection of the claims is withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Porfirio Nazario-Gonzalez whose telephone number is 571-272-0641. The examiner can normally be reached on Mon.-Fri. (9:30 AM - 6:00 PM).
